Pride Month Challenge:

Show Your Pride

June 20th-30th

Each agency will select one individual to submit a LinkedIn post.

The post must include a photo or video featuring how your office celebrates Pride and a written explanation of what Pride Month means to your agency. This could be LGBTQIA+ office decorations, employees taking part in a Pride parade, etc. Include the hashtag

#PGIS Pride22

The agency that receives the most likes and/or shares of their post between the dates of the competition will receive a DE&I sponsored lunch by Patriot and a cash award to be donated to a LGBTQIA+ charity of their choosing.

If you have any additional questions or concerns regarding the contest, please contact diversity@patriotgis.com
