World Humanitarian Day

August 19th

World Humanitarian Day is August 19th and the UN will launch the [#ItTakesAVillage](#) campaign to shine a light on the hundreds of thousands of volunteers, professionals and crisis-affected people who deliver urgent health care, shelter, food, protection, water and much more. The goal is to show the effectiveness and the positive impact of humanitarian work, and to celebrate people who come together to ease suffering and bring hope.

What You Can Do

- Post a WHD awareness graphic on your LinkedIn page
 - Create your own or use one from the the [UN Toolkit](#)
- Remember to use these three hashtags on all your posts: [#ItTakesAVillage](#), [#WorldHumanitarianDay](#), [#PatriotDEI](#)

To raise awareness of and funding for humanitarian action, the UN Postal Administration will issue three stamp sheets for this year's WHD, featuring beautiful artwork by award-winning Ukrainian illustrator Olga Shtonda. A surcharge will be added to the stamps, which will go to the [UN Central Emergency Response Fund](#) to help people in need.

Any Patriot employee who shares WHD awareness messages on their LinkedIn page will be eligible for a sheet of stamps.
